The Dominican Province of Nigeria is the largest Dominican entity on the continent. The Nigerian Dominicans are engaged in diversity of ministries. Much of the efforts of the Province is concentrated in the areas of basic formation and training for the priesthood and religious life; primary evangelization in rural parts of Africa; on-going Christian formation in the faith through parish ministries; ministry among Muslims; social justice ministries, and health care delivery; chaplaincies and education ministries at all levels. We are committed to bringing Christ in a relevant way to all the people that we minister unto. Fr.
