Facts of Our Faith

Article 5 of the Apostles creed:

III THE MEANING AND SAVING SIGNIFICANCE OF THE
RESURRECTION

655 Finally, Christ's Resurrection-----and the risen Christ himself-----is the principle and source of our future resurrection. "Christ has been raised from the dead, the first fruits of those who have fallen asleep.... For as in Adam all die, so also in Christ shall all be made alive." The risen Christ lives in the hearts of his faithful while they await that fulfillment. In Christ, Christians have tasted the powers of the age to come and their lives are swept up by Christ into the heart of divine life, so that they may "live no longer for themselves but for him, who for their sake, died and was raised. "

IN BRIEF

656 Faith in the Resurrection has as its object an event which is historically attested to by the disciples, who really encountered the Risen One. At the same time, this event is mysteriously transcendent insofar as it is the entry of Christ's humanity into the glory of God.

657 The empty tomb and the linen cloths lying there signify in themselves that by God's power Christ's body had escaped the bonds of death and corruption. They prepared the disciples to encounter the Risen Lord.

658 Christ, "the first-born from dead" is the principle of our own resurrection, even now by the justification of our souls and one day by the new life he will impart to our bodies.
