Facts of Our Faith

I BELIEVE IN THE HOLY Catholic Church

Paragraph 3. The Church Is One, Holy, Catholic, and Apostolic

II The Church Is Holy

827 Christ holy, innocent, and undefiled, knew nothing of sin, but came only to expiate the sins of the people. The church however, clasping sinners to her bosom, at once holy and always in need of purification, follows constantly the path of penance and renewal.

All members of the Church, including her ministers, must acknowledge that they are sinners. In everyone the weeds of sin will still be mixed with the good wheat of the

Gospel until the end of time. Hence the Church gathers sinners already caught up in Christ's salvation but still on the way to holiness. The Church is therefore holy, though having sinners in her midst, because she herself has no other life but the life of grace.

If they live her life, then her members are sanctified; if they move away from her life then they fall into sins and disorders that prevent the radiation of her sanctity. This is why she suffers and does penance for those offenses, of which she has the power to free her children through the blood of Christ and the gift of the Holy Spirit.

828 By canonizing some of the faithful, i.e., by solemnly proclaiming that they practiced heroic virtue and lived in fidelity to God's grace, the Church recognizes the power of the Spirit of holiness within her and sustains the hope of believers by proposing the saints to them as models and intercessors. The saints have always been the source and origin of renewal in the most difficult moments in the Church's history. Indeed, holiness is the hidden source and infallible measure of her apostolic activity and missionary zeal.

829 "But in the most Blessed Virgin the Church has already reached that perfection whereby she exists without spot or wrinkle, the faithful still to conquer sin and increase in holiness. And so they turn their eyes to Mary": in her, the Church is already the "all-holy."
