Many choices meet us, moving through the day,
Some move on toward meaning, others lead away.
In the days deciding, wisdom is defined,
As we grow to love you, God, with all our mind.

Many yearnings draw us in a world of things,
Dancing lights invite us, distant voices sing,
Some desires divide us, others make us whole,
As we grow to love you, God, with all our soul.

Many people join us, journeys parallel,
Friend and kin and stranger, people like ourselves
In the sacred drama, searching for a part,
As we grow to love you, God, with all our heart.

God be in our thinking, always as a guide;
God be in our yearning, high and deep and wide;
God be in our caring, with us intertwined,
As we grow to love you, heart and soul and mind.
