REFLECTION ON TODAY'S GOSPEL

Jesus' comments on the destitute woman (Mark 12:41-44) are an example of the divine logic that overturns human ways of thinking... Who contributes most to the flourishing of the Church today? Perhaps it is those who are overlooked and insignificant in human terms. This point brings to mind the story of the 3rd century martyr St. Lawrence, who was arch-deacon of Rome and distributor of the church's alms. In 258, by decree of the emperor, the pope and six deacons were beheaded, leaving Lawrence the ranking Church official in Rome. The city prefect summoned Lawrence and demanded that he hand over the treasures of the Church. Lawrence responded that the Church was indeed very rich, and asked for a little time to gather its treasures. He then went all over the city seeking out the poor and infirm. On the third day, he gathered together a great crowd of orphans, widows and people who were blind, maimed or suffering various diseases, and invited the prefect to come and see "the wondrous riches of our God."

"When a man steals to satisfy hunger, we may safely conclude that there is something wrong in society. So when a woman destroys the life of her unborn child, it is an evidence that either by education or circumstances she has been greatly wronged."
