**SOLEMNITY OF THE IMMACULATE  
CONCEPTION December 8**

“In the beginning, when God created the heavens and the earth, the earth was a formless wasteland, and darkness covered the abyss, while a mighty wind swept over the waters.” (Genesis 1:1-2)

With profound love, He illumined the stars, sun, and moon, sculpted mountains, and formed the earth's creatures. To steward creation, our heavenly Father breathed life into man and woman, and they walked with Love himself and it was good. And yet, walking would become wandering, and goodness gave way to sin.

Yes, darkness would descend—but all would not be lost. His love was at work, breathing life into Mary, full of grace, by a plan set in motion well before she came to be.

His plan is for my good, and is at work even when I may not understand or see the way through. I know this with every fiber of my being. And yet, at times, I still fail to remember this. In the beginning there was darkness, and in the darkness, he brought forth light, yet I choose to return to the darkness, fearfully take back my own “fiat”, and ask that my own will be done. When I question His way, I am called to remember Holy Mary, Mother of God. She is His plan, set into motion, in the quiet of the Immaculate Conception, to deliver His Beloved, to restore what is good.

SANCTUARY)
