“I have no new teaching for America.  
I seek  
only to recall you to faithfulness  
to what you  
once taught the world. Your nation was  
founded on the proposition---very old as a  
moral precept, but startling and innovative  
as a political insight---that human life is a  
gift of immeasurable worth, and that it  
deserves, always and everywhere, to be  
treated with the utmost  
dignity and respect.”

(Taken from Mother Teresa's letter to the  
Supreme Court in the cases of *Loce v. New  
Jersey* and *Krail et al. v. New Jersey*. 1994)
